ABOUT US

Established in 1998, Satyanarayan Enterprise has emerged as one of Mumbai's most reliable civil contractors, executing a wide range of government and private infrastructure projects such as roads, flyovers, highways, residential and commercial buildings.

Over the past two decades, the company has built a strong reputation for quality, commitment, and timely delivery in all types of civil, finishing, and interior works—including tiling, flooring, marble, POP, plumbing, painting, waterproofing, and MEP turnkey solutions.

With a skilled team of engineers, supervisors, and trained workers, Satyanarayan Enterprise ensures every project meets high construction standards and client satisfaction.

MISSION

To deliver world-class civil and infrastructure solutions with a focus on quality, safety, and sustainability, while fostering long-term relationships with clients through transparency and trust.

VISION

To be recognized as a leading civil construction company in India, known for engineering excellence, modern execution practices, and commitment to nation-building through infrastructure development.

ABOUT THE FOUNDER

MR. SATYANARAYAN BARAI

Mr. Satyanarayan Barai, the founder, established the company in 1998 with a vision to provide dependable and high-quality civil construction services in Mumbai and across Maharashtra. With his decades of hands-on experience and leadership, the firm has delivered multiple landmark projects in collaboration with reputed builders and developers.

WHY CHOOSE US?

At Satyanarayan Enterprise, we combine decades of hands-on experience with modern construction practices to ensure excellence, safety, and reliability on every project.

1. PROVEN EXPERIENCE & EXPERTISE

With over 25 years of industry experience, we've successfully completed major residential, commercial, and infrastructure projects for reputed developers and government bodies across Mumbai, Thane, and Ahmedabad.

2. STRONG TECHNICAL TEAM

Led by Mr. Satyanarayan Barai and Mr. Ravi Barai (Engineer – Thakur College of Engineering, Mumbai), our team of qualified engineers, supervisors, and skilled craftsmen ensures precision and timely delivery at every stage.

3. QUALITY POLICY

We are committed to maintaining the highest standards of quality by:

- Using certified materials and modern equipment
- Following strict site inspection and testing protocols
- Ensuring adherence to IS standards and government specifications
- Conducting regular quality audits to guarantee long-lasting results

4. SAFETY POLICY

Safety is our top priority. We ensure:

Full compliance with labour safety and site regulations

Mandatory use of personal protective equipment (PPE)

Daily safety briefings and site inspections

Trained first-aid and fire-safety teams on every site

MEET OUR TEAM

With over 100+ skilled staff and 10+ project units, the team ensures precision and accountability across all worksites.
